4pets®* Dog Crate Pro 1 small

No more worries when travelling with your best friend. These professional-standard aluminium dog crates combine security with simple functionality. Robust and safe transportation solution made from high-quality aluminium for smaller sized breeds such as Cocker Spaniel, Dachshund, Terrier or Beagle with a max. weight of 17 kg. Specially developed aluminium bars help to provide maximum stabilization and are also anodized for effective corrosion resistance. The crate can be secured using the tie-down straps to the factory fitted anchor points in the luggage compartment. Main features: solid aluminum die-cast lock case, coated and scratch-resistant hardwood flooring, urine-resistant plastic tubing, crash-tested door lock system with 2 keys, impact protection system and special crash-tested rear panel. Elevated sidewalls help to keep the luggage compartment free from dirt. Removable floor mat, 2 x load securing straps and additional Velcro strips help to ensure that it does not slip inside the luggage compartment. Box weight: 13.6 kg. – C-MAX

	Duxback* Windscreen Coating Duxback*, a revolutionary, hydrophobic windscreen treatment, is designed to help visibility, when driving in heavy rain, particularly at night. Easy to apply, the coating should be re-applied every 6 months. Duxback™* is a revolutionary treatment that keeps glass as it should be – see through. On a windscreen, rain, sleet and snow simply beads, sheds and rolls off. There is no need to use wipers when travelling over 40 mph in pouring rain! Even ice is easy and quick to remove with Duxback™* Windshield coating. Tested and approved by TUV, Duxback™* is proven to provide 35 % better vision when driving in rain conditions and a 25 % improvement in reaction time when driving in poor conditions.	1 607 622 £18.44¹

Xvision (SCC)* Parking Distance Sensors 4 sensor front kit, matt black

1 935 219
£127.00²

<p>With bigger vehicles, tighter parking spaces and Britain’s increasingly busy roads, Xvision* parking distance sensors come with an audible warning chime and turn reversing, parking and manoeuvring in confined areas into a less stressful experience. They help reduce the chance of having a costly bump too, making an Xvision* system not just convenient, but also a valuable driving aid. Ideal for drivers who find it difficult to look backwards whilst reversing, Xvision* parking sensors also help to:</p>

Protect your vehicle and pedestrians

Reduce expensive repair bills and insurance excess payments

Protect your no claims bonus

Protect your vehicle's residual value

<p>Xvision* parking distance sensors are available for the front and / or rear of Ford passenger cars and Ford Commercial Vehicles. </p>

Reliable detection of all obstacles, features acoustic warning with increasing intermittent beeping and solid tone at close proximity. Flat or angled sensors included in the package allow fitment according to the shape of the bumper. Sensors can also be painted in body colour. Please ask your Ford dealer for further details

Map Update 2019, for SYNC 2 systems

Over time new roads and housing estates are built, road layouts change and businesses move, which means your sat nav may become less reliable. To help avoid becoming lost, frustrated and late, you can upgrade your Sat Nav software with the latest map update. It's the best way to keep your sat nav reliable, helping you take the smartest route and giving you more accurate arrival times.

SD Card update - Version F8, offers further optimized and more convenient route guidance along with extended functions such as refined heavy traffic avoidance and an extended range of Points of Interests (POIs). Content: updates of the nearest Ford Dealership or Ford Service Partner locations, navigation map coverage for 40 European countries, improved precision for estimated time of arrival (ETA), new residential and industrial areas, extended road network with new streets, updated motorway junctions and exits, etc. plus additional POIs, including Automated Teller Machines (ATMs), petrol stations, restaurants, shops and hotels – up to 11/2016
