HDD* Seat Cover driver seat, black

As the name suggests, Heavy Duty Designs* seat covers are made to last. Manufactured from super-tough nylon with a waterproof backing they are designed to protect the interior of your vehicle and help to protect its residual value.

Designed to be compatible with the seat-mounted airbag when a Velcro flap is removed.

Tailored to fit and made from hardwearing 210 denier polyester for commercial use with a 100% water-proof PVC backing and parachute thread for added long term strength.

Designed for harsh environments and helps protect the seat fabric against mud, building site debris, water, oil, paint, dust and more. Can easily be cleaned by brushing, or with a damp cloth or wipe using a gentle disinfectant solution. – Vehicles with armrest and separate headrest

Xvision (SCC)* Parking Distance Sensors 4 sensor front kit, matt black

1 935 219
£127.00²

<p>With bigger vehicles, tighter parking spaces and Britain’s increasingly busy roads, Xvision* parking distance sensors come with an audible warning chime and turn reversing, parking and manoeuvring in confined areas into a less stressful experience. They help reduce the chance of having a costly bump too, making an Xvision* system not just convenient, but also a valuable driving aid. Ideal for drivers who find it difficult to look backwards whilst reversing, Xvision* parking sensors also help to:</p>

Protect your vehicle and pedestrians

Reduce expensive repair bills and insurance excess payments

Protect your no claims bonus

Protect your vehicle's residual value

<p>Xvision* parking distance sensors are available for the front and / or rear of Ford passenger cars and Ford Commercial Vehicles. </p>

Reliable detection of all obstacles, features acoustic warning with increasing intermittent beeping and solid tone at close proximity. Flat or angled sensors included in the package allow fitment according to the shape of the bumper. Sensors can also be painted in body colour. Please ask your Ford dealer for further details
